Mission Statement

Friends of
Brighton & Hove
Hospitals

Working with the local NHS to enhance patient experience by raising money for equipment and services that really do make a difference.

VISION

Local NHS patients receive the best possible care available and have a positive personal experience of their treatment.

VALUES

Caring – Putting the patient at the centre of everything we do, striving to improve people’s experience of the NHS, giving comfort and relieving suffering wherever possible.

Actively Engaged – Seeking a proactive dialogue with NHS Trusts and the community to ensure we understand where resources are needed most and will provide the biggest difference to patients’ lives.

Responsible – Working to contribute to the enrichment of the NHS environment for the communities in which we operate.

Embracing innovation – Providing resources that are innovative and give real patient benefits over existing equipment or technology.
